

WYDOT Authorized Travel Announcement

March 15, 2010

WYDOT Authorized Travel Subscribers,

As you are aware WYDOT has been utilizing the new 511 Notify messaging system to send messages regarding WYDOT Authorized Travel. In order to better serve our WYDOT Authorized Travel subscribers we will be adding them to the Opens/Closures 511 Notify subscription items that correspond to the WYDOT Authorized Travel items for which they are approved.

For example, if you have been approved for WYDOT Authorized Travel on US 30 between Walcott Junction and Laramie, you will also be subscribed to receive all closure and opening messages for that segment. This will keep all of our subscribers better informed of the conditions in their areas of interest.

If you are already subscribed to the Opens/Closures or Alerts subscription items for your WYDOT Authorized Travel segments, you will **NOT** receive duplicate messages regarding closures or openings.

We will be making the additions on Wednesday, March 17 at 1:00 PM. If you have any questions or concerns, please send an e-mail to wyoroad@dot.state.wy.us with a subject of "WYDOT Authorized Travel".

Thank you.
